

Opening for March 2010

Scout #1 We are Tiger Scouts just learning to fly like baby birds, starting out on our adventures.

Scout # 2 We are Wolf scouts. We are like airplanes transporting ourselves just above the ground taking on some risks along the way of learning.

Scout # 3 We are Bear Scouts. We are like Jets, zooming through the clouds of the Bear path.

Scout # 4 We are Webelos. We are like the space shuttle. We can only guess the places we will fly to and the adventures that wait for us.

All: Now we are going to fly back to our seats! (all pretend to be airplanes.)
